Re: Case No. 2016-00059
An Inquiry into the State Universal Service Fund

Dear Ms. Bridwell:

Pursuant to the Public Service Commission's ("Commission") Order of February 21, 2021 in the above-referenced matter, Boomerang Wireless, LLC gives notice of its Affordable Connectivity Program ("ACP") Plan offering to Kentucky Lifeline subscribers. Attachment A provides the details of the Boomerang's ACP plan and reflects how state, federal and Affordable Connectivity support will be applied to eligible ACP Lifeline plans in Kentucky.

Boomerang Wireless will continue to seek Kentucky Universal Support Fund support for both the non-ACP subscribers on its existing Lifeline-only plan (Unlimited Talk & Text and 1 Gigabyte data) and for its ACP & Lifeline subscribers (Unlimited Talk & Text and 11 Gigabytes data).

Please contact me if additional information is required.

Pursuant to 807 KAR 5:001, Section 8, and the Commission's Order of July 22, 2021 in Case No. 2020-00085, I certify that this document was electronically transmitted to the Commission on March 3, 2022 and that there are currently no parties that the Commission has excused from participation by electronic means in this proceeding.

Sincerely,

Stoll Keenon Ogden PLLC
