**Re: Case No. 2016-00059**  
***An Inquiry into the State Universal Service Fund***

Dear Ms. Bridwell:

Pursuant to the Public Service Commission's ("Commission") Order of July 22, 2021 in the above-referenced matter, Boomerang Wireless, LLC gives notice of its Emergency Broadband Benefit ("EBB") Service Plan offering to Kentucky Lifeline subscribers. Attachment A provides the details of the Boomerang's EBB plan and reflects how state, federal and EBB support will be applied to eligible EBB Lifeline plans in Kentucky.

Boomerang Wireless will continue to seek Kentucky Universal Support Fund support for non-EBB subscribers on its existing Lifeline-only plan (Unlimited Talk & Text and 1 Gigabyte data).

Please contact me if additional information is required.

Pursuant to 807 KAR 5:001, Section 8, and the Commission's Order of July 22, 2021 in Case No. 2020-00085, I certify that this document was electronically transmitted to the Commission on August 9, 2021 and that there are currently no parties that the Commission has excused from participation by electronic means in this proceeding.

Sincerely,

Stoll Keenon Ogden PLLC
