ATC Outdoor DAS, LLC ("ATC") hereby responds to the Kentucky Public Service Commission's ("Commission") inquiry in Case No. 2016-00059. Deborah Gainor, Consultant for ATC, supervised the preparation of these responses on behalf of ATC.

**Response to Second Commission Request for Information (Appendix B):**

1. Provide the KUSF reimbursement forms submitted to the Commission and the Department of Finance and Administration from January 2014 to the present.

ATC does not have any customers or have any business in the state of Kentucky and therefore, does not generate any revenue that is subject to KUSF or receives disbursements from KUSF. ATC has not submitted any reimbursement forms to the Commission.

2. Explain how the total number of subscriber lines is calculated for the KUSF reimbursement form when a new customer receives service in the middle of a month.

ATC does not have any customers or have any business in the state of Kentucky, and therefore does not serve subscriber lines. Consequently, ATC does not calculate the number of subscriber lines.

3. Explain how the total number of subscriber lines is calculated for the KUSF reimbursement form when a customer leaves in the middle of a month.

ATC does not have any customers or have any business in the state of Kentucky, and therefore does not serve subscriber lines. Consequently, ATC does not calculate the number of subscriber lines.

4. Explain how the KUSF surcharge remittance is calculated when you experience a bad debt. Explain whether none of the surcharge amount or the full surcharge amount billed to, but not paid by, the customer is remitted.

ATC does not have any customers or have any business in the state of Kentucky and therefore does not generate any revenue subject to KUSF or receive disbursements from KUSF.

5. State whether you believe the Commission should wait until the FCC's investigation of Lifeline Reform 1 is concluded before rendering a decision in this proceeding, and explain the basis for your response.

ATC does not have a position on this matter.

6. State how soon upon the issuance of an Order by the Commission changing the KUSF surcharge that you are or anticipate being able to implement the changes on customer bills. If it differs by type of account, provide the information for each type of account, along with the number of access lines for each account type.

ATC does not have any customers or have any business in the state of Kentucky and therefore does not generate any revenue subject to KUSF. Consequently, ATC will not be required to make any changes to customer bills to comply with an Order by the Commission changing the KUSF surcharge at this time.
