Staff's Supplemental Requests for Information to All Parties

Item 3) Explain the anticipated impact, if any, that the FCC’s recent Lifeline Reform Order will have on the provision of Lifeline service in Kentucky, including, but not limited to, verifying eligibility of Lifeline customers; the potential provision of broadband service; and, the impact of the reduction of Federal Universal Service funding for voice service.

Response) Bluegrass Cellular does not believe the FCC’s recent Lifeline Reform Order is likely to have material impact on its provision of Lifeline service in Kentucky. Providing Lifeline services is not the primary business objective of Bluegrass Cellular. Therefore, Bluegrass Cellular does not make major business decisions based upon changes to the Lifeline rules. Rather, Bluegrass Cellular applies the Lifeline credit to applicable services and complies with the then-effective rules, including rules related to verifying the eligibility of Lifeline customers. Bluegrass Cellular does not have a position as to what is likely to occur if there is a shift in support from voice service to broadband service because Bluegrass Cellular does not provide broadband service. Therefore, it cannot anticipate how customers would react to support for broadband service.

Bluegrass Cellular cannot speak to what decisions other Lifeline providers may make. Thus, it cannot anticipate the overall impact the Lifeline Reform Order will have on voice service in Kentucky.

Item 4) In light of the Lifeline Reform Order, explain how a reduction in the amount of, or elimination of, KUSF support would impact the provision of Lifeline service in Kentucky.

Response) Bluegrass Cellular states that a reduction in KUSF support is not likely to materially impact its provision of Lifeline service in Kentucky. Providing Lifeline services is not the primary business objective of Bluegrass Cellular. Therefore, it does not make major business decisions based upon changes to Lifeline service.

Bluegrass Cellular cannot speak as to how other providers of Lifeline service would react to a reduction in the amount of, or elimination of, KUSF support. Accordingly, Bluegrass Cellular cannot provide an opinion as to the overall impact a reduction of, or elimination of, KUSF support would have on the provision of Lifeline service in Kentucky.
