One-Time Charges:											
(1) A one-time Activation charge of \$39.99 applies to all new Internet service activations.											
(2) A \$20 equipment shipping fee applies if customer chooses self-install and wants equipment shipped instead of picking it up at a retail location.											
(3) A Professional Installation charge of \$130 applies to accounts eligible for self-install that request professional installation.											
* The service is offered throughout the CBT serving area in Ohio, Kentucky and Indiana in areas where the company's broadband network is capable of supporting the applicable service offering. For example, the 250 Mbps plan is only available in areas served by FTTH facilities. CBT's non-ETC affiliate (CBET) offers Internet service in a limited area in Ohio contiguous to CBT's ILEC Ohio serving area.											
** The \$5.00 E-bill discount (rebate) applies to customers who elect to receive an electronic bill in lieu of a paper bill and it is required to obtain some promotional rates.											
*** Utility Surcharge is a monthly fee assessed on all accounts to cover the company's costs associated with Call Before You Dig (811) service requests, local utility infrastructure and operations.
