Re: Windstream Lifeline/EBB Service Plans – Case 2016-00059

Dear Sir,

Windstream elected to participate in the federal Emergency Broadband Benefit (EBB) program and started offering EBB discounts to qualified EBB customers in May 2021. Windstream is offering EBB discounts on new as well as existing customers. Schedule 1 through 5 detail the services and plans that qualify for the EBB discounts<sup>1</sup>.

Schedule 1 - Acquisition Bundles  
Schedule 2 - Base Bundles  
Schedule 3 - Speed Add on  
Schedule 4 - Promotional Credit  
Schedule 5 - Modem Credit

Currently Windstream is first seeking reimbursement from the FCC Lifeline Fund, followed by the state Lifeline Fund, and finally by the federal EBB fund.

As directed in the Kentucky Order dated July 22, 2021, Windstream will initiate programming changes to adjust the funding prioritization as soon as possible.

Sincerely,

A handwritten signature in black ink that reads 'Tim P. Loken'.

Director of Regulatory Reporting
