

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of)
An Inquiry Into the State Universal) Docket No. 2016-00059
Service Fund)

WEST SAFETY COMMUNICATIONS INC.'S MOTION TO WITHDRAW

In its Order issued on February 1, 2016 initiating this case, the Commission made every local exchange carrier, commercial mobile radio service provider, and eligible telecommunications carrier (“ETC”) a party to this proceeding. The Commission also provided any party that is not an ETC in Kentucky receiving both federal and state universal service fund (“USF”) support the opportunity to file a written request setting forth the reasons why withdrawal as a party is appropriate. West Safety Communications Inc. (f/k/a Intrado Communications Inc.) (the “Company”) moves to withdraw from this proceeding and states its reasons for doing so below.

ETC Status

The Company is not an ETC in Kentucky and does not receive either federal or state USF support. Accordingly, it meets the Commission’s threshold for being permitted to withdraw from this proceeding.

Reasons Why Withdrawal as a Party is Appropriate

The Company has no direct interest in the level of state support provided to ETCs, because it does not receive state USF support. Moreover, the Company would pass any applicable state USF surcharges on to its customers through their bills, so it is not directly impacted from a financial perspective by changes to the Kentucky USF assessment. After reviewing the Order and considering the potential impact of this proceeding on its operations, the Company has determined that it is not in its interest to participate at this time. Therefore the Company moves to withdraw from the proceeding.

Conclusion

For the reasons stated above, West Safety Communications Inc. respectfully requests that it be permitted to withdraw from further participation in this proceeding.
