Case No. 2016-00117*

Dear Ms. Bridwell:

Big Rivers Electric Corporation (“Big Rivers”) recently discovered an error in its Economic Development Rate (“EDR”) Contract Reports for the 2024 Calendar Year, which were filed on March 27, 2025. The error appeared only in the EDR information presented in the format set forth in Appendix A to the September 24, 1990, Order in Administrative Case No. 327. Specifically, that information included incorrect Capital Investment data for Big Rivers’ Existing Customers. In addition, one customer has provided updated information regarding the number of jobs created by its operations in 2024. The corrected Capital Investment figures and the updated job count are now reflected in the amended 2024 EDR Report.
