

**COLUMBIA GAS OF KENTUCKY, INC.**  
**AMENDED RESPONSE TO ATTORNEY GENERAL'S INITIAL**  
**REQUEST FOR INFORMATION**  
**DATED JULY 8, 2016**

3. Refer to page 9, lines 17-19 of Ms. Cole's Direct Testimony wherein she states: Columbia repairs approximately 820 leaks annually on its distribution system and continues to closely manage the number of outstanding open leaks. Provide a schedule showing the number and cost of leak repairs by FERC O&M/A&G account for each calendar year 2012 through 2015, the base year, and the test year.

**Amended Response:**

The chart below shows the amount of leaks repaired and associated costs by FERC account. In preparing data request AG 02-006 Columbia discovered that the leak repairs numbers and corresponding expense noted in the response were incorrect. Below please find corrected forecasted numbers that reflect the number of forecasted leak repairs and expense for calendar year 2017.
