Nonrecurring Sanitary Sewer Charges Tariff Filing – 807 KAR 5:075

Dear Executive Director:

This is an electronically filed application to pass through an increase in certain sanitary sewer treatment fees for the Sewer Service Tariff of the Jessamine-South Elkhorn Water District caused by a corresponding increase of treatment fees by the Lexington Fayette Urban County Government ("LFUCG"). These charges will apply to all of the District's sanitary sewer customers.

Enclosed please find 1) a completed Treated Sewage Adjustment Form 1 and its attachments (LFUCG notice of increase, calculation of increase and Board resolution authorizing increase) 2) proposed tariff sheet; and 3) transmittal letter to Kentucky Attorney General evidencing electronic transmission of this filing to that office at rateinventory@ag.Ky.gov.

The District has previously filed income statements and balance sheets with the Commission that are currently on file in your office.

My client is not requesting a rate increase at this time. However, increased costs attributable to the subject nonrecurring charges increase cannot be financially absorbed by the District. The additional revenue generated by the proposed recurring charges will not exceed five (5%) percent of the total revenues provided by all recurring charges for the recent twelve (12) month period.

Sincerely,

/s/ Bruce E. Smith
