Re: North Shelby Water Company  
Case No. 2016-00216  
Application

Dear Ms. Matthews:

This is in reference to the deficiency letter dated August 30, 2016 in the captioned case. The letter states that the Plans and Specifications filed with the Application were not stamped by a professional engineer. This is incorrect. The P.E. stamp for the document designated "NSWC Specifications Contract Documents Contract No. 1" is on Page 214 of the pdf website document. The P.E. stamp for the document "NSWC Specifications Contract Documents Contract No. 2" is at Page 162 of the pdf website document, and the PE stamp for the document "NSWC Specifications Contract Documents Contract No. 3" is at Page 159 on the pdf website document. Please withdraw the filing deficiency letter.

Please feel free to contact me if you have any questions.

Yours truly,

MATHIS, RIGGS, PRATHER & RATLIFF, P.S.C.
