Re: Case No. 2016-00292  
Crittenden-Livingston County Water District

Dear Dr. Mathews:

Enclosed for filing in the above-referenced case is the application of Crittenden-Livingston County Water District ("Crittenden-Livingston District") for a certificate of public convenience and necessity and authorization to issue an evidence of indebtedness. This filing consists of three documents: the Application, the oversized plans for the proposed project (Exhibit 8) and a separately bound volume containing the proposed project's Specifications and Bidding Documents (Exhibit 9). An electronic copy of these documents was uploaded to the Commission's E-Filing System this morning.

Pursuant to the Commission's Order of August 9, 2016, an original and six copies of the Application in paper medium are enclosed. As Crittenden-Livingston District has moved to the amend the Order of August 9, 2016 to permit the filing of only one paper copy of the project's plans and specifications and bidding documents and as a ruling on that motion is pending, only one copy of those documents has been enclosed. Should the Commission deny the motion, Crittenden-Livingston District will promptly provide the additional paper copies.

Please contact me if Commission Staff has any questions regarding this filing.

Very truly yours,

Stoll Keenon Ogden PLLC
