Re: **Case No. 2016-00314**
Jessamine-South Elkhorn Water District ("District")
Purchased Water Adjustment Application Filing – 807 KAR 5:068

Dear Executive Director:

Please accept the revised Notice to Customers in conjunction with the District's application to adjust volumetric water charges.

Based upon erroneous information from the supplier, the District's initial application contained a miscalculation. It did not include the increase in meter charges which was later brought to our attention. **The District respectfully requests that its application be amended to request an adjustment factor of .14 due to the inclusion of the meter charge increase.**

Thanks for your assistance.

Sincerely,

/s/ Bruce E. Smith
