**LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT MOTION TO AMEND
COMMENCEMENT TIME OF ORAL ARGUMENTS**

Comes now Louisville/Jefferson County Metro Government (“Louisville Metro”), pursuant to KRS § 278.400, and files this Motion seeking to reschedule the commencement of oral arguments on September 28, 2017 from 9:00 a.m. to 2:00 p.m. In support thereof, Louisville Metro states as follows:

The commission issued an order on August 9, 2017 setting a procedural schedule for briefing, oral arguments, and potentially an evidentiary hearing. Upon receiving the Order, counsel for Louisville Metro discovered a scheduling conflict on the morning of September 28, 2017. Counsel for Louisville Metro has a pre-existing commitment to another client the morning of September 28, which, after investigation, could not be rescheduled. Counsel for Louisville Metro then contacted counsel for Louisville Gas & Electric (“LG&E”) to discuss potentially rescheduling oral arguments. After discussion with counsel for LG&E, a 2:00 p.m. start time for oral arguments was settled upon as reasonable. I have authority to represent that LG&E has no objection to moving the oral argument from 9:00 a.m. to 2:00 p.m. on September 28, 2017.

WHEREFORE, Louisville Metro moves the Commission to issue an Order rescheduling the commencement of oral arguments on September 28, 2017 from 9:00 a.m. to 2:00 p.m.

Respectfully submitted,
