RE: Case No. 2016-00345

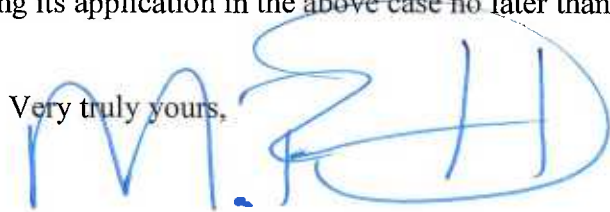

Dear Dr. Mathews:

On September 26, 2016 Kentucky Power Company filed its "Notice of Election of Use of Electronic Filing Procedures" in connection with its forthcoming financing application. The Notice of Election indicated that the Company anticipated filing its application no later than October 10, 2016. The Commission subsequently assigned Case No. 2016-00345 to the proceeding.

At the time the Notice of Election was filed Kentucky Power anticipated using June 30, 2016 financial information in support of its application. Because the more current third quarter 2016 financial information will be available later in October 2016, the Company subsequently elected to delay filing its application to make use of the September 30, 2016 financial information when it becomes available in October 2016.

Kentucky Power now anticipates filing its application in the above case no later than October 31, 2016.

Very truly yours,

Mark R. Overstreet
