

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF LOUISVILLE GAS AND)	
ELECTRIC COMPANY FOR AN ORDER)	CASE NO. 2016-00361
AMENDING AND EXTENDING EXISTING)	
AUTHORITY WITH RESPECT TO)	
REVOLVING LINE OF CREDIT)	

MOTION TO AMEND ORDER

On December 9, 2016, the Commission issued its Order in the above-referenced case authorizing Louisville Gas and Electric Company (“LG&E”) to extend the term of its existing revolving line of credit.

Ordering Paragraph 6 of the December 9, 2016 Order states:

LG&E shall, within 30 days from the date of issuance, file with the Commission a statement setting forth the date or dates of issuance of the securities authorized herein, the date of maturity, the price paid, the proceeds of such issuances, the interest rate, costs or gains from the use of hedging agreements, and all fees and expenses, including underwriting discounts or commissions or other compensation, involved in the issuance and distribution. LG&E shall also file documentation showing the quotes that it relied upon to determine the lowest interest rate.

These notice requirements align more closely with bond issuances, as opposed to extending a revolving line of credit.

THEREFORE, to make sure the Commission receives notice of actions LG&E takes with respect to the authorizations provided in this case, LG&E respectfully requests that Ordering Paragraph 6 in the Commission’s December 9, 2016 Order be amended to read in its entirety as follows:

LG&E shall, within 30 days from the date of any action taken to replace, amend or extend the term of its Revolving Line of Credit file with the Commission a statement and copy of any new

revolving credit extensions or agreements setting forth the date or dates of such action and all fees and expenses.

Dated: December 9, 2016
