COUNSEL FOR CAC

Question 1

Please refer to lines 12-14 on page 9 of Mr. Ratchford's testimony. Please provide in Excel format the monthly consumption for each of the referenced energy assistance applications for all applications from KU customers.

Witness: Malcolm J. Ratchford, Executive Director of CAC

Answer:

CAC does not collect the monthly consumption for each energy assistance application for all KU customers. Each week CAC requests 12 months of usage from KU for customers who have received some type of utility assistance, are enrolled in the KU HEA program, or have applied for assistance through one of the housing programs such as Weatherization or WeCare. Since HEA and WeCare are available to all KU customers, the usage data contains households outside CAC's core service area.

The monthly consumption provided in the attached spreadsheets is based on the usage data CAC received from KU on January 20, 2017, February 17, 2017, and March 24, 2017. Usage data files were not received for November and December 2016. However, some information for those months was available in the above referenced files.

12 months usage data was available for 4,330 of the 4,886 (88.6%) KU applications.
