## Response to Commission Staff's Second Post Hearing Request for Information Dated June 6, 2017

### **Question No. 1**

#### **Responding Witness: Gregory J. Meiman**

Q-1. Refer to KU/LG&E's Response to Commission Staff's Post Hearing Request for Information dated May 11, 2017, questions 11.a., b., & c. Attachment 2 and 18.a., b., c., & d., Attachment to response, page 9 of 10. Provide a schedule that lists by entity – LG&E Gas, LG&E Electric and KU jurisdictional – all 2016 Company 401(k) match costs for employees who participated in both the Retirement Plan (eligible if hired prior to 1/1/06) and the 401(k) Company Match, segregated by employee category: Bargaining Unit, Exempt, Hourly, Manager, Non-Exempt, Officer & Director, 99 (LTD) and All Salary Admin Plans. If there are allocated costs associated with employees from LKS that are included in any of the entities identified above, identify those costs by employee category and the amounts allocated to each entity. Use the following format to provide the requested information.

A-1. See attached. As referenced in the Companies' response to Staff's Post-Hearing Request for Information Question No. 11, and the Brief filed on May 31, 2017, it is important to note that benchmarking information prepared by Mercer reflects that 98%, 100% and 95% of Utilities, Kentucky Companies and General Industry companies, respectively, provide matching 401(k) contributions to defined benefit plan participants. This practice is consistent with the Companies' offering for employees hired prior to January 1, 2006.
