- f. For responses to part B (alternative rate) that state anything other than "On Best Rate" provide the answer to part C as if the account had paid under the alternative rate provided.

ORIGINAL RESPONSE

A-12.

- a. The answer was provided as the total of 2015 and 2016. See attachment being provided in Excel format for split.
- b. Public authorities are any authority which has a legal mandate to govern, administrate a part or aspect of public life, such as all branches of the executive power of a state, province, municipality etc., including various chartered organizations holding their authority from the executive branch without being run by public officials.
- c. See attachment being provided in Excel format.

- d. The use of the term “On Best Rate” refers to a customer whose historical usage qualifies them for the rate they are currently on. Accounts that are “On Best Rate” are not eligible for an alternate rate based on an analysis of historical usage.
- e. Accounts eligible for an alternative rate may or may not save money by switching to the alternate rate. Since the customer knows their future plans and needs the best, the Company can assist the customer in making an informed decision. The Company provides a Rate Compare tool available in My Account, and customers can contact the Company for assistance with their own analysis.
- f. The Company has not performed such an analysis for the requested period as it would require original work. There was an analysis performed in September 2016 for the 12 months ending August 2016. See the attachment being provided in Excel format.
