Dear Ms. Pinson:

In response to the Commission’s June 22, 2017 orders issued in the above-referenced proceedings, Kentucky Utilities Company (“KU”) and Louisville Gas and Electric Company (“LG&E”) are filing their Transmission System Improvement Plan Annual Report (“Transmission Plan Report”). These orders require KU and LG&E to file annual reports over the five-year Transmission Plan period on the details of the implementation of the plan to date.

Enclosed please find and accept for filing the first Transmission Plan Report.

In accordance with 807 KAR 5:001, Section 8, I certify that the electronically filed documents are a true and accurate copy of the same document being filed in paper medium; that the electronic filing has been transmitted to the Commission on June 1, 2018; that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means; and that the original of this filing in paper medium will be filed with the Commission within two business days from the date of the electronic filing.
