COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF KENTUCKY UTILITIES COMPANY FOR AN ADJUSTMENT OF ITS ELECTRIC RATES AND FOR CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY CASE NO. 2016-00370

-and-

In the Matter of:

ELECTRONIC APPLICATION OF LOUISVILLE GAS AND ELECTRIC COMPANY FOR AN ADJUSTMENT OF ITS ELECTRIC AND GAS RATES AND FOR CERTIFICATES OF PUBLIC CONVENIENCE AND NECESSITY CASE NO. 2016-00371

THE ATTORNEY GENERAL’S MOTION FOR DEVIATION

Comes now the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention, and respectfully requests a deviation from 807 KAR 5:001 Sections 8(3) and (12)(a), which requires a paper copy of electronically filed documents to be filed with the Commission, and from the Commission’s Procedural Orders dated December 13, 2016, numerical paragraphs 4, as issued in both cases, requiring an original and six copies in paper medium of any paper filed by a party with the Commission.

In both of the above-styled matters the Attorney General electronically filed his testimony and corresponding exhibits and schedules on March 3, 2017, and intends to file the original and six copies of those documents on March 7, 2017, with the exception of certain excel spreadsheets. The Attorney General is requesting deviation from filing several
excel spreadsheets that when printed contain about 150,000 pages per volume. Considering the Commissions' Orders dated December 13, 2016, between the original and six copies for each case, when both matters are taken into account the total number of pages filed with the Commission would likely be in excess of 2 million. All of the documents for which the Attorney General requests such deviation are currently uploaded and accessible on the Commission’s website, and none of them are formatted for printing. In fact, when viewed as they would be as printed, the spreadsheets are nearly unidentifiable and not readily usable. Further, it would require excessive time, money, and paper to print, tab, and compile this portion of the filing, especially considering that the outcome will be unusable for the recipient. The titles of the specific Excel documents for which the Attorney General seeks such deviation are listed in case-specific headings in the attached “APPENDIX A” to this filing. The remainder of the Attorney General’s electronically filed documents in this matter shall be filed in accordance with the rules and in conformity with the Commission’s Procedural Order.

WHEREFORE, the Attorney General respectfully request that the Commission grant the motion for deviation as to the specified excel spreadsheets.
Respectfully submitted,

ANDY BESHEAR
ATTORNEY GENERAL
