**MOTION TO INTERVENE**  
**OF ASSOCIATION OF COMMUNITY MINISTRIES, INC.**

Now comes Association of Community Ministries, Inc. (“ACM”), by and through counsel, and pursuant to 807 KAR 5:001, Section 4(11) moves for leave to intervene in this proceeding.

ACM is an umbrella organization comprised of the fourteen independent community ministries that provide social services to low-income individuals throughout Louisville Metro, with each ministry serving a designated geographic area. All of ACM’s fourteen members provide emergency financial assistance, including assistance to households in danger of losing utility service from Louisville Gas and Electric Company (“LG&E”) because they are unable to pay their energy bills. ACM member agencies also advocate for low-income customers threatened with disconnection of utility service and implement the Winterhelp program. ACM, whose address is P.O. Box 99545, Louisville, Kentucky 40269, is a Kentucky nonprofit 501(c)(3) corporation.

The attorneys for ACM authorized to represent it in this proceeding and to take service of all documents are:

ACM has an interest in this proceeding as an assistance provider and advocate for low-income utility customers in the LG&E service territory, who will be uniquely affected by any rate increase. For example, the monthly bill impact of any rate adjustment will have a larger relative impact on low-income customers than on others. Further, year-round, ACM member agencies provide direct service to low-income LG&E customers who cannot pay their utility bills and face disconnections. ACM member agencies do not have sufficient financial resources to assist all those in need and they are gravely concerned that increased rates will lead to more low-income LG&E customers facing shut offs and going without vital gas and electric service.

Through its participation in this case, ACM will assist the Commission in developing these issues and evaluating how the proposed rate adjustments would impact low-income customers in the LG&E service territory. ACM has participated in a number of other matters before the Commission.<sup>1</sup> It represents a special interest that is not

otherwise adequately represented by parties to this proceeding. If allowed to intervene, ACM will present issues and develop facts that will assist the Commission in fully considering this matter. Consistent with its participation in past proceedings, ACM will do so efficiently and without unduly complicating or disrupting the proceedings.

WHEREFORE, ACM requests that it be granted leave to intervene as a full party in this proceeding, with all rights attendant to full party status.

Respectfully submitted,
