

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF LOUISVILLE GAS AND)	
ELECTRIC COMPANY FOR AN)	
ADJUSTMENT OF ITS ELECTRIC AND GAS)	CASE NO. 2016-00371
RATES AND FOR CERTIFICATES OF)	
PUBLIC CONVENIENCE AND NECESSITY)	

MOTION TO DEVIATE FROM RULE

Pursuant to 807 KAR 5:001, Section 22, Louisville Gas and Electric Company (“LG&E”) moves the Kentucky Public Service Commission (“Commission”) to grant LG&E approval to deviate from the requirement that parties upload an electronic version of all papers filed in this case to the Commission’s website using the Commission’s E-Filing System. In support of this motion, LG&E states:

1. On October 21, 2016, LG&E filed its Notice of Intent to file a rate application for a general adjustment in its electric rates and its Notice of Election of Use of Electronic Filing Procedures. LG&E subsequently filed its application on November 23, 2016.
2. On October 24, 2016, the Commission established this proceeding and ordered that “[a]ll documents submitted in this proceeding shall comply with the Commission’s rules of procedure as set forth in 807 KAR 5:001 and any deviation from these rules shall be submitted in writing to the Commission for consideration.”¹
3. 807 KAR 5:001, Section 8(3) provides: “All papers shall be filed with the commission by uploading an electronic version using the commission’s E-Filing System at <http://psc.ky.gov>.”

¹ *In the Matter of: Application of Louisville Gas and Electric Company for an Adjustment of its Electric and Gas Rates and for Certificates of Public Convenience and Necessity, Case No. 2016-00371, Order (Ky. PSC Oct. 24, 2016).*

4. Pursuant to the Commission's Rules of Procedure, LG&E must electronically upload to the Commission's E-Filing System all filings made in this case. The Commission's Rules of Procedure require that all uploaded non-audio or video files must be in either portable document format ("PDF") or Excel format.²

5. In Item 8 of its Supplemental Request for Information, the Kentucky School Boards Association ("KSBA") has requested: "With regard to PSC_DR2_KU_ATTACH_to_Q97 please provide the source and supporting documents of the SID Ratios in line 8773." LG&E used SAS software to assist in the preparation of the SID Ratios. The SAS files are in a format that is usable by that software, but that cannot be converted to either PDF or Excel format.

6. LG&E requests permission to deviate from 807 KAR 5:001, Section 8(3) by not uploading the requested file to the Commission's E-Filing System because the requested files total more than one gigabyte and are not in, and cannot be converted to, a permissible format. Rather, LG&E is requesting permission to file a copy of the SAS file with the Commission on a portable electronic storage medium and to serve a true and accurate copy of the medium on the KSBA and any other party who requests a copy.

7. LG&E is making its above request to deviate pursuant to 807 KAR 5:001, Section 22.

WHEREFORE, LG&E requests a deviation from the 807 KAR 5:001, Section 8(3) requirement that parties upload an electronic version of all papers filed in this case to the Commission's website using the Commission's E-Filing System and permission to submit its Response to Item 8 of the KSBA's Supplemental Request for Information instead on a portable

electronic storage medium and to serve a true and accurate copy of that medium on the KSBA and any other party who requests a copy.
