

What Extra Something were you able to do in 2016 because of ASAP's help?

Because of the help we received through ASAP with our Energy Bill we were able to better afford necessities for our family. Having a large family (8 of us - 6 kids) things add up fast and I am able to get more of what we need without worrying about my electric bill. Having our home weatherized has helped immensely as well. Thank you ASAP!

With out this LIHEAP Program I wouldn't be able to keep my L.G. & E On through out the yr. Being on the Budget plan can and has still been over the limit for me at times trying to keep the bill from going in the rear. I'm so blessed that this program not only has helped me & others too. I can't even imagine my life with out this program. Living in darkness would be my life at this point. With out this program,

Thank you so much

What Extra Something were you able to do in 2016 because of ASAP's help?

ASAP Program has help me in many more ways than one. I got a small benefit amount when program started. I was doing good at the time in a good job. In March my boyfriend passed (who help me pay bills) I lost my job due to depression. So the ~~keep~~^{help} on my light bill has help me cover my car insurance that is very high. I also don't get child support or any cash for housing. So anything helps. Thanks from the bottom of my heart. I'm getting it together slowly with a temp job for now.

DEAR-AFFORDABLE ENERGY CORP,
I wanted to write you this letter to let you
know ~~how~~ how much I appreciate the opportunity to
participate in the all season Assurance Plan.
I also wanted to let you know how much
affordable energy has helped me pay my other
bills in which I could never pay before. I only
make \$741.00 dollars a month and with my other
utilities I don't really make enough money
to pay my other bills, but this really helps
me a lot. I just can't make ends meet. So thank
you so much for your help. You don't know how
much this means, how much this means to me. So
thank you so much. Barbara Rowland.

What Extra Something were you able to do in 2016 because of ASAP's help?

Since "ASAP" has been assisting me with my G+E, I've been able to keep my bills caught up & PAID on time. I had never heard of ASAP when I first got my letter from them. I thought it was some sort of PRANK. But it was all true & I feel truly BLESSED since they contacted me. And I also want to tell ASAP how much I deeply appreciate them and all they done for not just me, but everyone. It isn't often in today's world that such an act of kindness is shared or seen. Our world is fast becoming a scarier PLACE to live. And men will lie & deny.

What Extra Something were you able to do in 2016 because of ASAP's help?

Thanks to ASAP's help I was able to afford other necessities for home and personal hygiene. Buy needed clothes, shoes and coat. Also my toiletries for the bathroom, household cleaning products and laundry. Under normal circumstances I would not be able to afford these things if I were not in the ASAP's program. It has tremendously help me stay afloat on basic needs. I truly appreciate the help you provide for me. ASAP's program is God-sent for people who are on low-income like myself. Thank you so very much for all that you do to help me keep afloat. I don't know where I'd be right now. One thing I do know is that I wouldn't be living at 724 So. 42nd St, if it wasn't

What Extra Something were you able to do in 2016 because of ASAP's help?

The assistance that I have received from The All Season's Assurance Plan has made a large impact on my finances. I was able to be with my daughter and son-in-law when they had their first child. As they do not live near me I saved all summer the money to travel. And I do not receive food stamps so I also had extra money for groceries. Now when I get gas for my vehicle I am able to fill my tank and make it last longer. I have cut my budget in every way I know. The ASAP program has taken the worry off of me about how am I going to pay my electric. Thanks is not enough to say about ASAP. I was treated like a customer. And they are so organized it makes it easy for me to keep track of. I wish more people who would use this program. I have spread the word to my friends who need help. Thank you again!!!
