What Extra Something were you able to do in 2016 because of ASAP's help?

Since I lost 35 LBS. I needed new shorts and pants so the help from ASAP was once again a wonderful BLESSING for that NEED! I was able to get my '90 Honda Civic a thorough check-up SERVICE. I also bought tools for maintaining my LAWN since it is my RESPONSIBILITY in this Mobil Home PARK.
I am hand capped (AMPUTATION OF LEFT LEG) so I don't go out very often. I have to replace SPACE HEATERS NEARLY EVERY FALL since my CENTRAL HEAT & AC no longer work. I had to put in a WINDOW AC a long time ago for the KITCHEN & LIVING ROOM from SEARS which I made payments on 12 months. Thank you and May God BLESS everyone responsible for this Caring PROGRAM! AM

What Extra Something were you able to do in 2016 because of ASAP's help?

I was blessed to be able to get the car fixed that we use to get my great-nephew with special needs that I have custody of to and from doctor's appoints. This money gives me the ability to get extra food and toiletries for my family and I. I really do thank you all for blessing us. Things would have been much more difficult for my family without your help. Also, several times I have had to go to my specialists and my co-pays are \$150 each time and I have five of them. Again thank you and God bless you.

What Extra Something were you able to do in 2016 because of ASAP's help?

I was able to buy food. I get 75.00 in food stamps and from 644.00 in SS and SSI, I pay my rent of 485.00, leaving about 160.00 for everything else.

Food is the least important. Also my house taxes, I am able to save for and I have a lot of maintenance on my house.

This program helps me immensely.

Thank You so much

What Extra Something were you able to do in 2016 because of ASAP's help?

Because of the help I get from ASAP each month I don't have to worry or be stressed out about where will I get the money from to pay my water bill every other month. I am so thankful for ASAP and I know I speak for others too, on a fixed income it is hard very hard to live on such small amount of money when you own your home and you're responsible for the upkeep and repairs. All I can say is that ASAP is a God sent for me because with out it I would be living with out utilities on and being disabled and on home oxygen and other medical supplies that require the use of electricity everyday I probably wouldn't be alive or I'd probably be homeless.

Thank you ASAP for all you do for the families in need in our community. May God continue to bless you all. *John G.*

I HAVE BEEN able to pay for all my EXTRA MEDICAL SUPPLIES AND NEEDS FOR MY ILLNESSES. I AM BEDRIDDEN AND IT TAKES SO MUCH MORE TO TREAT ALL THE CONDITIONS THAT OCCUR BECAUSE OF THAT. THERE ARE SO MANY THINGS NEEDED WHEN YOU ARE BEDRIDDEN THAT PEOPLE WHO CAN MOVE AROUND DO NOT NEED. THIS HAS BEEN A HUGE BLESSING FOR ME AND MY DAUGHTER WHO IS MY 24/7 CAREGIVER. I PRAY YOU CONTINUE THIS PROGRAM FOR WITHOUT IT I WOULD HAVE TO DO WITHOUT FOOD AND MEDICINES IN ORDER TO PAY FOR THESE MEDICAL NEEDS. MAY GOD BLESS YOU ALL FOR YOUR KINDNESS TO ME.

What Extra Something were you able to do in 2016 because of ASAP's help?

I was able to pay my bills/mortgage on time. I just had my 55th Surgery, so I was able to recover in peace knowing that the help from A.S.A.P. would allow me to relax some knowing there help/assistance was there for me. I am blessed with this program. Not everyone has this opportunity and blessing. My central air went out and I have to use Window A/C units. I have COPD and can't take the heat. It allowed me to buy a window unit at Walmart so that I could stay cool & able to breath better. Thank you so very much. I pray I can continue on this program. Thank you so much again.
