I was able to enjoy my upstairs so much more because of the insulation put in my attic. It isn't hot in the summer. That is wonderful. I am able to enjoy smaller electric bills which is wonderful. I am so grateful for these programs. I don't know what I would do without them. For one I wouldn't be able to stay in my home & I am truly grateful for that.

Thank you so much!

First of all I want to thank you for this program. This Program has been a blessing to me. This is my 3rd year, and I don't know how I could get by every month. I give an \$756 month and \$60 in Food Stamps. With my mortgage payment, water Bill, Life Ins, and my LG&E Bill, that's not counting soap, toilet paper and etc. Transportation, I could not have done it. It might not seem much to anyone else, but to me it's a lot. I am so glad that we have people like you to take care of people like me. I want to say thank you and all the people like you. We live in a great country I wish more people would just take time to say thank you. I hope you all have blessed days. The rest of your ~~lives~~ lives. Thank you again.

ASAP is a Blessing. I was able to get some much needed repairs to my home. Bought my children Season passes to Kentucky Kingdom. Buy school clothes and supplies. I was even able to pay my water Bill on time. I can't express enough how much I appreciate the program. I'm a single parent trying to get back on feet. ASAP is doing just that.

Thank you so very much

I have wanted my house painted for years, and finally saved enough money to have half of it painted. Perhaps, I will be able to have the rest of it painted in the near future.

Thank You!!
