RE: BC- Cloverwood Lane
Road Cutting Permit No. 1260
Notify Road Dept.- 7 to 10 days prior to Construction

Robert Watkins, Bullitt County Road Director agrees with the proposed gas pipeline to open cut through Cloverwood Lane. Back fill, compaction, trench restoration, blacktop procedures are shown in detail on the drawing attached. Payment for the Road Cutting Permit within check No. 451313. (payment for several permits all with one check).

Thanks,

Scott

ROAD CUTTING PERMIT

Issued by

**BULLITT COUNTY ROAD DEPARTMENT
P.O. BOX 768, SHEPHERDSVILLE, KY 40165
PHONE: 502-543-2510 FAX PHONE: 502-543-6889**

PERMIT NO. 1260

Application is herewith made for applicant to cut and or excavate on roadway or in right-of-way of the following name county road: and location of proposed work on said county road.

ROAD NAME: Cloverwood Ln (CR-1166)

LOCATION Mile Post: N/A LONG: -85.67917318, LAT: 37.95263866

DATE: 08/22/2018

Applicant's name and address: LSE 6900 Enterprise Dr Louisville Ky 40214
Applicant's phone number: _____

Description of work intended and date: (give start & estimated completion date)

Open cutting of road for installation of 12.75" O.D. X 0.375" W.T. 5LX52 ERW, FBE & ARO coated pipe to a minimum depth of 5'-0" (3'-6" if in rock). Work starts 06/2019

Signature of applicant agreeing to conditions required on this permit: (failure to comply with restoration to the satisfaction of the road department will result in legal action.)

Description of surface of road:

None. Future Road.

NOTE: Road will be restored by applicant to its original condition at the time of cutting and/or excavation in the road or right-of-way of county roads only. The County Road Department only issues permits for county roads; we do not issue permits for state maintained roads or non-county roads.

ALL COUNTY ROADS ARE REQUIRED TO HAVE COMPACTED BACKFILL USED IN FILLING UP THE EXCAVATION IN EITHER ROADWAY OR R/O/W.

Applicant is responsible for six (6) months for any sinking of road because of failure to adhere to the requirements of using COMPACTED BACKFILL.

This permit is issued pursuant to applicant remitting to THE SUM OF \$25.00 TO BULLITT FISCAL COURT as a permit fee for the permit and accurate information furnished by the applicant on this form. If there is any difference found between actual conditions and information supplied on this form, this permit will be considered null and void and construction will stop with restoration of the road to be by applicant.

This Project is **APPROVED** or **DISAPPROVED** (strike out word that does not apply).
