CASE NO. 2016-00394

**KENTUCKY-AMERICAN WATER COMPANY'S
MOTION FOR EXTENSION OF TIME**

Kentucky-American Water Company (“KAW”), by counsel, hereby moves the Commission for an extension of time to respond to Commission Staff’s April 20, 2017 Second Request for Information in this matter. The current deadline for KAW’s responses to that Request for Information is May 4, 2017. Several of the requests require a manual review of work order notes generated over a significant period of time. That task and other KAW personnel commitments make it necessary to request an additional 14 days to respond to the Request for Information. There is no statutory deadline for resolution of this matter and there are no intervenors. For these reasons, KAW requests an extension to and including May 18, 2017 to respond to Commission Staff’s Second Request for Information.
