**Motion For Extension Of Time To Publish Notice Pursuant  
To 807 KAR 5:058, Section 10**

Kentucky Power Company moves the Public Service Commission of Kentucky for an extension until January 20, 2017 in which to publish in the Elliott County News the notice required by 807 KAR 5:058, Section 10. Kentucky Power states in support:

1. Kentucky Power filed its 2016 Integrated Resource Planning Report on December 20, 2016.
2. 807 KAR 5:058, Section 10 requires Kentucky Power to publish notice of the filing within 30 days of the filing, or on or before January 19, 2017.
3. Kentucky Power provided the required notice to Kentucky Press Service, Inc. in time for the notice to be published in the newspapers of record in each of the 20 counties in the Company's service territory. Kentucky Press Service contacted each of the newspapers and arranged for the publication of the notice in each publication on or before January 17, 2017.

4. Kentucky Power was informed on January 12, 2017 that the Elliott County News failed to publish the notice as scheduled<sup>1</sup> and that it would publish the notice on January 20, 2017. Kentucky Power is unaware of the reason the Elliott County News failed to publish the notice as scheduled.

5. The requested one-day extension will not prejudice the public or the Commission. Kentucky Power acted in good faith and with due care in arranging for the timely publication of the notices.

For the foregoing reasons, Kentucky Power requests that the Commission grant it a one-day extension in which to publish in the Elliott County News the notice required by 807 KAR 5:058, Section 10.

Respectfully submitted,
