MOTION FOR EXTENSION OF TIME

Northern Kentucky Water District, (NKWD), by counsel, moves for an extension of time for submitting responses to the Commission's order of March 8, 2017. The responses are due March 22nd, but due to NKWD staff commitments and the time necessary to compile the information responsive to the order, an additional 14 days are requested.

There is no statutory time for consideration of this matter and there are no intervenors. For these reasons, NKWD requests an extension to and including April 5, 2017 to respond to the order.
