**Re: Louisville Gas and Electric Company -  
Gas Supply Clause Effective February 1, 2017-  
Case No. 2016-00428**

Dear Dr. Mathews,

On December 29, 2016, Louisville Gas and Electric Company filed, in electronic medium, pursuant to the provisions of the Company's Gas Supply Clause as authorized by the Commission, its Gas Supply Cost Component and its revised associated tariff sheets.

It has since come to my attention that some of the line references in the descriptions on Exhibit A, pages 1 and 2, were incorrect. The descriptions have been revised in the attached exhibits. The revised exhibits do not affect the calculation of the GSC factor or the tariff sheets.

In accordance with 807 KAR 5:001, Section 8, this is to certify that the electronically filed documents are a true and accurate copy of the same documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on January 9, 2017; that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means; and that the original in paper medium of this filing will be filed by hand-delivery with the Commission within two business days from the date of the electronic filing.
