Re: ***Hardin County Water District No. 2 Annual Meter Testing Reports
Case No. 2016-00432***

Dear Ms. Pinson:

Enclosed are the originals of Hardin County Water District No. 2's ("HCWD2") 2017 Annual Meter Testing Report and 2018 Annual Meter Testing Report ("Reports"). HCWD2 is filing these Reports as required by the Public Service Commission's Order dated March 22, 2018 in Case No. 2018-00432. True and accurate copies of these Reports in electronic medium were uploaded to the Public Service Commission's electronic filing system this day.

The Reports have limited omissions of the testing date and total water flow for some meters it installed during calendar year 2007 (the "2007 meters"). The omissions are due to the recent retirement of HCWD2's Customer Service Manager, who oversaw the meter testing, the transitioning of the oversight of the meter testing program, and employee vacations during the Christmas holiday. When it locates omitted information for the 2007 meters, HCWD2 will supplement the Reports.

Sincerely,

Stoll Keenon Ogden PLLC
