

This response is provided for the time period of November 1, 2014 through October 31, 2016 and lists all pertinent fuel contract information requested. Tonnage information is reported per Kentucky Power ownership share.

Please note that all contracts are annual fixed price agreements and do not escalate based on price indices. The response to "i" reflects the first year fixed price of the contract when executed. The response to "k" is the fixed price of the contract at the end of the review period (October 31, 2016).
