**Re: *Application of Monroe County Water District for Rate Adjustment Pursuant to  
807 KAR 5:076  
Case No. 2017-00070***

Dear Mr. Lyons:

Enclosed is Monroe County Water District's Motion to Substitute Exhibit. I certify that a true and accurate copy of this motion in electronic medium was uploaded to the Commission's electronic filing system this day, that there are currently no parties that the Commission has excused from participation by electronic means in the above-style proceeding; and that an original paper medium of this Motion will be filed with the Commission no later than September 25, 2017. With the electronic version of the Motion, Monroe County Water District has also uploaded a revised version of Exhibits 1 – 17 that were originally submitted on September 20-21, 2017. This action is detailed and explained in the enclosed Motion.

I apologize for any inconvenience that the original filing may have created and I greatly appreciate the patience of Commission Staff in this matter.

Very truly yours,

Stoll Keenon Ogden PLLC
