**Re: *Application of Monroe County Water District for Rate Adjustment Pursuant To
807 KAR 5:076
Case No. 2017-00070***

Dear Dr. Mathews:

Enclosed is Monroe County Water District's Application for Rate Adjustment. Attached as Tab 46 of the Application in paper medium is a flash drive containing an electronic version of the spreadsheets that appear as exhibits within the Application. These spreadsheets in Excel format are embedded in the electronic version of the Application.

Please note that Monroe County Water District requests that the Commission, when rendering its decision, make any new rates effective on the first day of the month following the issuance of its decision. This request is made to accommodate the limitations of Monroe County Water District's billing system.

Please contact me if Commission Staff has any questions regarding the contents of this Application.

In accordance with 807 KAR 5:001, Section 8, I certify that a true and accurate copy of this document in electronic medium was uploaded to the Commission's electronic filing system this day, that there are currently no parties that the Commission has excused from participation by electronic means in the above-style proceeding; and that an original paper medium of this Application will be delivered to the Commission on or before March 20, 2017. I further state that an electronic copy of the Application has been provided to the Attorney General's Office of Rate Intervention.
