**Re: *Application of Monroe County Water District for Rate Adjustment Pursuant to
807 KAR 5:076
Case No. 2017-00070***

Dear Mr. Lyons:

Enclosed is Monroe County Water District's Response to Commission Staff's First Request for Information. Although the Request for Information stated that ten copies of the response should be submitted, Commission Staff Counsel Brittany Koenig informed Monroe County Water District that the Request erroneously required the submission of ten copies and that only one copy should be submitted. Accordingly, only one copy is provided.

In accordance with 807 KAR 5:001, Section 8, I certify that a true and accurate copy of this document in electronic medium was uploaded to the Commission's electronic filing system this day, that there are currently no parties that the Commission has excused from participation by electronic means in the above-style proceeding; and that an original paper medium of this Application will be delivered to the Commission on or before September 22, 2017.

Very truly yours,

Stoll Keenon Ogden PLLC
