**MOTION FOR MODIFICATION OF BRIEFING SCHEDULE**

Monroe County Water District (“Monroe District”), by counsel, moves for an order modifying the briefing schedule in this matter to permit the parties an additional seven days in which to submit their initial briefs. In support of its Motion, Monroe District states:

1. On October 31, 2017, the Commission established a briefing schedule in this matter in which the parties were permitted to file a memorandum brief in support of their positions no later than December 1, 2017 and a reply memorandum no later than December 8, 2017. The Commission discussed this schedule at the hearing in this matter on October 25, 2017 and the parties had agreed to it.

2. Since his agreement with this schedule, Monroe District’s counsel has been required to address some unexpected professional and personal matters that have placed unexpected demands on his time and have limited his time to prepare an initial brief in this matter. Accordingly, he respectfully requests the briefing schedule be modified to permit all parties an additional seven days in which to submit an initial brief in this matter and further requests that the parties be permitted to submit reply briefs within seven days after the submission of all initial briefs.

3. This request is not made for purposes of delay.

4. Counsel for the Attorney General has been advised of this motion and does not object to the requested modification in the briefing schedule.

WHEREFORE, Monroe District requests that the Commission modify its Order of October 31, 2017 to permit the filing of initial briefs in this matter no later than December 8, 2017 and the filing of reply briefs no later than December 15, 2017.
