5. BASIC LOCAL EXCHANGE SERVICE (Cont'd)

5.3 Basic Exchange Line Service

5.3.1 Description

Basic Line Service provides a Customer with a single, voice-grade telephonic communications channel that can be used to place or receive one call at a time. Basic Lines are provided for connection of Customer-provided single station sets or facsimile machines to the public switched telecommunications network. Each Basic Line may be configured into a rotary line hunt group with other Company-provided Basic Lines.

All Basic Exchange lines are equipped with caller number feature capability. Residential Exchange lines are equipped with Three-way Calling and Call Waiting as standard features.

5.3.2 Rates

Rates do not include a charge for instrument or other customer premises' wiring or equipment. Rates for additional services, including installation charges, are shown elsewhere in this Tariff.
