BASIC LOCAL EXCHANGE SERVICE (Cont'd)

5.2 Local Calling Areas

5.2.1 General

1. The rates in this Tariff entitle callers to receive local calling (i.e., toll-free) to the local calling areas indicated in Section 5.2.2, below. Calls to areas not listed in Section 5.2.2 will be subject to applicable long distance charges by the long distance provider.
2. The rates specified herein are for periods of one month, are payable in advance.
3. Services are for normal residential and business use, exclusive of autodialing, telemarketing, or other similar services that would generate unusually high volumes of outbound traffic. The Company reserves the right to identify and modify the terms of service to subscribers identified as exceeding typical usage including the introduction of usage caps, if necessary.

5.2.2 Local Calling Areas

All Company exchanges will receive local calling to exchanges within the 606 and 859 area codes (NPAs), as detailed in this sub-section.
