RE: Peoples Gas KY LLC
GCR Filing Proposed to Become Effective May 1, 2017
Case No. 2017-00152

Dear Mr. Derouen:

Enclosed for filing on behalf of Peoples Gas KY LLC (Peoples KY) is the Gas Cost Recovery (GCR) filing for the calendar quarter ended January 31, 2017, for rates proposed to become effective May 1, 2017. Also included are Fourteenth Revised Sheet No. 2 and Thirteenth Revised Sheet No. 4, to Peoples KY PSC Kentucky No. 1 Tariff, which are being filed pursuant to the Purchased Gas Adjustment Provision of that Tariff. A hard copy will follow via regular mail delivery.

This filing proposes a GCR rate of \$4.4008 per Mcf of sales, an increase of \$0.1447 per Mcf from the current PGA, which was approved in Case No. 2016-00436 effective February 1, 2017.

For the purposes of forecasting its Expected Gas Cost (EGC), Peoples KY is assuming purchases based on the Appalachian Index price of gas for Columbia Transmission. This price is developed by averaging the estimated cost of gas over 3 months beginning May 2017.

Schedule 1 of the filing is a summary of the proposed PGA rate components. Schedule 2 is a summary of the expected gas costs based on purchases for the 12 months ended January 2017. Schedule 3 is a listing by month of Peoples KY's sales to its customer's for the 12 months ended January 2017. Schedules 4 and 5 are summaries of ACA components.

Sincerely,

Lynda W. Petrichevich
