Motion For Leave To Deviate

Kentucky Power Company moves the Public Service Commission of Kentucky pursuant to 807 KAR 5:001, Section 22 for leave to deviate hearing from the requirement in the Commission's April 27, 2017 order that it file with the Commission an original and six copies in paper medium of all documents filed electronically in this case. Leave is being sought with respect to the three volumes of the stenographic transcription of the December 6-8, 2017 hearing in this matter.

Kentucky Power seeks leave to file an original and a single copy of the three volumes of the stenographic transcription in lieu of the required original and six copies. The three volumes total 1,132 pages. An original and six copies would comprise almost 8,000 pages or almost four feet of paper.

Filing the original and a single copy should not impede the Commission's review of this proceeding. The official record is the video recording.

Wherefore Kentucky Power Company respectfully requests that the Commission enter an Order:

1. Granting the Company's motion for leave to deviate from the Commission's April 27, 2017 order in this case by filing the original and one copy of the three volumes of the stenographic transcript of the December 6-8, 2017 hearing in this matter; and
2. Granting such further relief to which the Company may be entitled.

Respectfully submitted,
