RE: **Case No. 2017-00179** (Post-Case Correspondence File)

Dear Ms. Pinson:

This letter is to provide additional explanation concerning Kentucky Power Company's August 15, 2019 Excel workbook updating the Company's Tariff S.S.C. calculations.

In conformity with S.S.C. sample Form 3.0 filed with the Commission on January 3, 2018, and the presentation at the January 8, 2018 informal conference in this case, S.S.C. Form 3.0 has been modified to include a line for FERC Account 5550093 – Peak Hourly Availability Charge – LSE. This account includes certain PJM capacity related charges and capacity performance insurance claim payments.

Please do not hesitate to contact me if you have any questions.

Very truly yours,

Mark R. Overstreet
