Motion For Leave To Deviate

Kentucky Power Company moves the Public Service Commission of Kentucky pursuant to 807 KAR 5:001, Section 22 for leave to deviate with respect to certain voluminous documents from the requirement in the Commission’s April 27, 2017 order that it file with the Commission an original and six copies in paper medium of all documents filed electronically in this case.

**Documents For Which Leave Is Sought To File Original
and Six Copies on Compact Disc**

Kentucky Power seeks leave to file on compact disc in lieu of the required paper original and six paper copies of its fourth Supplemental Attachment 1 to the Company’s response to Attorney General’s supplemental request 1-42 electronically filed on January 2, 2018. That attachment, labeled KPCO_SR_AG_1_042_4th_Supplemental_Attachment1.pdf, comprises the Company’s November 2017 General Ledger. The original of this information totals over 2,500 pages. An original and six paper copies of this information would measure over eight feet in height. Providing the original and six paper copies in electronic format is more efficient and should not impede review of the Company’s application.

Wherefore Kentucky Power Company respectfully requests that the Commission enter an Order:

1. Granting the Company's motion for leave to deviate from the Commission's April 27, 2017 order in this case by filing the required paper original and six paper copies of KPCO_SR_AG_1_042_4th_Supplemental_Attachment1.pdf on compact disc in lieu of paper format;
2. Granting such further relief to which the Company may be entitled.

Respectfully submitted,
