RE: Dexter-Almo Heights Water District Alternative Rate Filing Application

Please find enclosed the forms and supporting documents of the Dexter-Almo Heights Water District Alternative Rate Filing Application. The ARF is being filed pursuant to 807 KAR 5:076.

Dexter-Almo Heights Water District is requesting from the Commission an increase of 10% to water rates to aid the district to continue provide clean safe drinking water to current customers as well as provide a revenue stream that will allow the district to provide clean safe drinking water to unserved customers. The district understands no new rates shall become effective without Commission approval and the district's request of a 10% increase may be altered with a recommendation from the Commission with different rates than those proposed in this application. The district also request that the Commission, when rendering its decision, make any new rates effective the 1<sup>st</sup> day of the month following the issuance of its decision to coincide with district billing cycle.

A copy of this application and related filings has been sent to the Attorney General's Office of Rate Intervention, 1024 Capital Center Drive, Suite 200, Frankfort, KY 40601-8204.

Please contact me if there are any questions or further documentation needed regarding this application.

Sincerely,

Joe Dan Taylor  
Chairman  
Dexter-Almo Heights Water District
