

COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION OF KENTUCKY

In the Matter of:

ELECTRONIC PROPOSED ADJUSTMENT OF )  
THE WHOLESALE WATER SERVICE RATES OF ) Case No. 2017-00199  
CENTRAL CITY MUNICIPAL WATER & SEWER )

---

**MOTION FOR EXTENTION OF TIME**

---

The City of Central City, by counsel, respectfully moves the Public Service Commission for an extension of time to grant a fourteen-day extension in which to respond to the requests for information issued by Commission Staff and the intervening water districts. In support of the motion, Central City states as follows:

On May 23, 2017, the Commission entered an order establishing this case, finding that an investigation was necessary to determine the reasonableness of the proposed rates. On June 22, 2017, the Commission entered an order with a procedural schedule that required, *inter alia*, Central City's responses to supplemental requests for information due no later than August 23, 2017. Commission Staff and the intervening water districts issued supplemental requests to Central City. Having reviewed the requests and started preparing responses, it is apparent that Central City will need additional time in which to complete responses and compile information for the requests due to the detailed and voluminous nature of the requests.

Central City requests an extension through September 6, 2017, to respond to the supplemental requests for information and a corresponding extension to future deadlines set forth in the scheduling order dated June 22, 2017. The undersigned counsel has contacted counsel for

the intervening water districts, and counsel for the water districts indicated that he had no objection to Central City's request for an extension of time.

Respectfully submitted,

---
