ADDENDUM NO. 1 – Revisions to the Corrpro Cathodic Protection Material List

REVISIONS:

Changing From:

The Corrpro Cathodic Protection Material List for 24" DI Water Main dated January 19, 2015

Changing To:

The attached revised Corrpro Cathodic Protection Material List for 24-inch/30-inch DI Water Main dated March 4, 2016 included in this Addendum.

The current page is located after Section 02660 and follows the Corrpro Table 1, Soil Resistivity Measurements page and has been crossed through indicating the revised sheet is in the pocket.

Please put the attached revised sheet in the plastic pocket of your spec book & take these revisions into consideration when preparing your bid.

This notice is being faxed to you only. We will be contacting you by telephone to confirm your receipt of this addendum. Also, please complete and sign the Acknowledgement of Receipt accompanying this fax and fax it to 859 727-8452 as soon as possible, but **no later than June 1, 2017 by 8:00 a.m.** Please note that any bid received without a signed Acknowledgement of Receipt showing you were notified of the changes in the addendum will be considered an invalid bid. Should you have any questions, feel free to contact our office at 859 727-3293.

ACKNOWLEDGEMENT OF RECEIPT

**The undersigned bidder acknowledges that he/she has received, read and understands the attached Addendum No. 1 for
