THROUGH APRIL 30, 2017 - CASE NO. 2017-00285**

Dear Ms. Pinson:

Enclosed please find and accept for filing a Corrected Response of Louisville Gas and Electric Company to Information Requested in the Appendix of the Commission's Order dated August 30, 2017, in electronic medium in the above-referenced proceeding. On page 19 of 37 in the attachment to the reponse to Question No. 8, the Annual Tonnage Requirements (Line F) and the Percent of Annual Requirements (Line H) were reported incorrectly in the original response dated September 13, 2017. The corrected values are highlighted in the revised response attached.

In accordance with 807 KAR 5:001, Section 8, this is to certify that the electronically filed documents are a true and accurate copy of the same documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on October 11, 2017; that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means; and that the original and six copies in paper medium of this filing will be filed by hand-delivery with the Commission within two business days from the date of the electronic filing.
