REQUEST:

Refer to Atmos' Response to Staff's IC DR Item 1, Commission Staff's Second Request for Information request 1(b) and any response thereto. If the Company has any, or provides any, estimates for the expected annual PRP expenditures for the years 2023 through 2025, please update the summary provided in response to Staff's IC DR Item 1. This response requests that the three (3) additional years of estimated PRP spending provided in response to Staff's requests are reflected as PRP rates assuming no rate case activity during this time period, in the same form as previously provided. a. Confirm that the amount in the summary provided in response to Staff IC DR Item 1 designated as Customer Charge is an amount charged to customers monthly.

RESPONSE:

Please see Attachment 1 for the estimated PRP rates for 2023 through 2025 assuming no rate case activity during this time period. The amount designated as "Customer Charge" does reflect an amount charged to customers on a monthly basis. All tariff schedules except G-1 have a volumetric charge as well.
