MOTION FOR PROCEDURAL SCHEDULE

Comes now the Complainant, William C. Hill (“Mr. Hill”), by counsel, and for his Motion requesting that the Commission enter an Order prescribing a schedule for the orderly and expeditious handling of this matter, respectfully states as follows:

Mr. Hill originally submitted his Complaint in this matter on July 26, 2017. By Order entered September 14, 2017, the Commission directed Mr. Hill to submit “a clearer statement of the relief he seeks in this matter,” which he did on September 27, 2017. By Order entered November 21, 2017, the Commission directed Muhlenberg County Water District (“Defendant”) to satisfy or answer Mr. Hill’s Complaint, and on November 30, 2017, Defendant filed its Answer.

The Answer filed by Defendant, though it does contain some notable admissions and concessions, does not fully address the issues at hand and fails to adequately explain how this matter may be remedied. Essentially, Defendant proposes that Mr. Hill should seek and obtain

service from neighboring Todd County Water District, while Defendant abdicates any responsibility.

Mr. Hill is a resident of Muhlenberg County and the subject property is within the Muhlenberg County Water District. He has been attempting to obtain water service, literally for years, but has been consistently met with unreasonable demands and disregard. Mr. Hill acknowledges his responsibility for certain costs of an extension, consistent with applicable tariff, and he does not oppose a reasonable solution, whether or not it involves Todd County Water District. However, Defendant's actions and inaction to date should be examined by this Commission and it should be required to take all necessary and appropriate steps to ensure water service is available to its citizens, consistent with its tariff and applicable law. To that end, Mr. Hill requests that this case proceed as expeditiously as possible and that the Commission schedule a hearing to resolve all issues at the earliest possible date.

WHEREFORE, in light of the foregoing, Mr. Hill respectfully requests an Order from the Commission prescribing a schedule for the orderly and expeditious handling of this matter.

Dated this 17th day of January, 2018.

Respectfully submitted,

M. Evan Buckley
