**MOTION OF DUKE ENERGY KENTUCKY, INC.
FOR CONFIDENTIAL TREATMENT FOR CERTAIN
RESPONSES TO REQUEST FOR INFORMATION**

Comes now Duke Energy Kentucky, Inc. (Duke Energy Kentucky or Company), by counsel, pursuant to 807 KAR 5:001, Section 13 and other law, and respectfully requests the Commission to classify and protect certain information provided by the Company in its Supplemental Responses to Commission Staff's First Request for Information issued on August 25, 2017, respectfully stating as follows:

1. On August 2, 2017 Duke Energy Kentucky filed a Notice of Intent to File an Application seeking adjustment of its electric rates and other approvals.
2. On September 1, 2017 Duke Energy Kentucky filed an Application seeking an adjustment of its electric rates and other approvals.
3. On August 25, 2017 Commission Staff issued its First Request for Information to Duke Energy Kentucky.

4. In response to Commission Staff's First Request for Information, Duke Energy Kentucky is providing certain information, which is referred to herein as the "Confidential Information," for which it requests confidential treatment.

5. The Kentucky Open Records Act and applicable precedent exempts the Confidential Information from disclosure. *See* KRS 61.878(1)(a); KRS 61.878(1)(c)(1); *Zink v. Department of Workers Claims, Labor Cabinet*, 902 S.W.2d 825 (Ky. App. 1994); *Hoy v. Kentucky Industrial Revitalization Authority*, 907 S.W.2d 766, 768 (Ky. 1995). To qualify for this exemption and, therefore, maintain the confidentiality of the information, a party must establish that disclosure of the commercial information would permit an unfair advantage to competitors of that party. Public disclosure of the information identified herein would, in fact, prompt such a result for the reasons set forth below.

6. The Confidential Information for which Duke Energy Kentucky seeks confidential treatment is contained in its 6th Supplemental Response to Request No. 59. In its response to Request No. 59, Duke Energy Kentucky is providing invoices and costs related to the ongoing expenses for the preparation and litigation of this case. As part of the initial request to Staff 01-059, the Company was asked to provide continued updates through this proceeding. These invoices and contracts are pursuant to negotiated rates and fees charged by its vendors, consultants, and experts. Releasing this information would place both the Company and its vendors at a competitive disadvantage. In the future, such vendors may be unwilling to offer the same pricing levels out of concern competitors would have access to such information.

7. Furthermore, some of the information for which Duke Energy Kentucky is seeking confidential treatment was either developed internally, or acquired on a proprietary basis, by Duke Energy Corporation and Duke Energy Kentucky personnel, is not on file publicly

with any public agency, and is not publicly available from any commercial or other source. The aforementioned information is distributed within Duke Energy Kentucky only to those employees who must have access for business reasons, and is generally recognized as confidential and proprietary in the utility industry.

8. Duke Energy Kentucky does not object to limited disclosure of the Confidential Information described herein, pursuant to an acceptable protective agreement entered into with any intervenors with a legitimate interest in reviewing the same for the sole purpose of participating in this case.

9. In accordance with the provisions of 807 KAR 5:001, Section 13(2)(e), the Company is filing one copy of the Confidential Information separately under seal, and the appropriate number of copies with the Confidential Information redacted.

10. Duke Energy Kentucky respectfully requests that the Confidential Information be withheld from public disclosure for a period of twenty years. This will assure that the Confidential Information – if disclosed after that time – will no longer be commercially sensitive so as to likely impair the interests of the Company if publicly disclosed.

11. To the extent the Confidential Information becomes generally available to the public, whether through filings required by other agencies or otherwise, Duke Energy Kentucky will notify the Commission and have its confidential status removed, pursuant to 807 KAR 5:001 Section 13(10)(a).

WHEREFORE, Duke Energy Kentucky, Inc., respectfully requests that the Commission classify and protect as confidential the specific information described herein.

Respectfully submitted,
